*I'm not sure what Tesoro LAIRC is...*

*Maybe we want to have Larry join for the Air Curtain Incinerator discussion...*

*Other than that...I don't think so. If any of these turn into significant discussions, we should agree to schedule a longer meeting with additional people as needed.*

3. *Exide Technologies*
4. *Air Curtain Incinerator*

Gerardo,

SCAQMD sent the following agenda items for our conference call. See below. Do we need to invite anyone else that is not a member of the oversight team? For example, who is going to discuss Air Curtain Incinerators at the meeting?
